Angel @GaGal4Trump · 22 may.
I'd like to know if @JulianAssange and/or @KimDotcom have been contacted

Note to deniers, avoiding facts doesn't equate to debunked

valerie stull @cimuseum · 22 may.
Watch @seanhannity on Monday. @KimDotcom is working on getting the truth out.

Lieutenant Governor Mike Parson Calls for Immediate Resignation of State Senator Maria Chappelle-Nadal After President of the United States Assassination Post

FOR IMMEDIATE RELEASE
August 17, 2017

Contact: Tyler Hahlger
(573) 751-4727

(JEFFERSON CITY) – Lieutenant Governor Mike Parson is calling for the immediate resignation of Missouri State Senator Maria Chappelle-Nadal after posting on social media her hope for the assassination of the President of the United States.

"It is a total disgrace for the Senator to call for the assassination of the President or any elected official. I believe she should immediately resign from her position, as this is conduct not befitting of a State Senator or a Missourian," said Lieutenant Governor Mike Parson. "I will not sit idly by and let this kind of behavior transpire in our state, especially from members of our government. As a veteran of the armed forces, I was personally offended that a person elected to represent Missourians would call for the assassination of our Commander in Chief."

I'd just like to thank the GOP for putting a Democrat into the US Senate who's for partial birth abortions, He's for Keeping Obamacare, he's Anti President Trump. I'm so proud of the Never Trumpers, the GOP, and the Democrats Tonight. #Sarcasm

Too many red flags in this case. We should not hang an innocent man on the DNC/GOPe gallows unless there is substantiated PROOF, not just allegations one month before an election. Old DNC trick

Why? Do you think that everyone on the network should just parrot the same lines? Should Shep Smith just lie all the time for the narrative?

Chris Wallace and Shepard Smith should start a show on CNN called "Pink Hat Brigade" that's where you both belong. Shameful Fox, Get rid of these two asshats.

Chris Wallace and Shepard Smith should start a show on CNN called "Pink Hat Brigade" that's where you both belong. Shameful Fox, Get rid of these two asshats.

When will the Washington Establishment call for the resignation of Senator Al Franken? You can't call for Roy Moore to get out of a Senate race over Accusations, and not call for Franken to resign. #DoubleStandard #AmericaFirstMedia

Agree! Franken admitted it. AND there was proof, so he really couldn't deny it. There is NO proof that Moore did anything wrong, just allegations from 35+ years ago. Allow forensic exam of yearbook, see who is lying about the yearbook, then we'll have better idea on the rest.

Are you paying any attention at all? Senate Dems have called for an investigation of Franken while you GOP sickos hide your creeps behind bibles and presidential privilege.!!

Our Team has the Police Report as well as the Autopsy report on Lori Klausutis. Our own Josh Flippo and Frank Whalen have been working on this case for 6+ months. Thank You President Trump for putting it back in the public eye! #AmericaFirstMedia #LoriKlausustis #MorningJoe
